## Research Areas

Data and Network Sciences: including Construction, Integration, Management, and Analytics: 1) Data science: from big data management to analysis and mining, especially for health informatics, bioinformatics, environmental, traffic, terror/criminal, and financial domains; 2) Health Informatics, Computational and System Biology; 3) Social networks & social media analysis and homeland security; 4) Personalized search and recommendation systems.

## Education

PhD	Computer Engineering and Information Sciences	Bilkent University	1993
MSc	Computer Engineering	Computer Engineering and Information Sciences	1990
BSc	Computer Engineering	Middle East Technical University	1988

## Academic Work Experience

Professor	İstanbul Medipol University, Istanbul, TURKEY	Jan. 2019 – Present
Professor	University of Calgary, Calgary, CANADA	July 2004 – Present
Associate Professor	University of Calgary, Calgary, CANADA	Aug.2001 – June 2004
Associate Professor	American University of Sharjah, Sharjah, UAE	Sep.1999 – Aug.2001
Assistant Professor	Sultan Qaboos University, Muscat, Oman	Sep.1997 – Aug.1999
Assistant Professor	Bilkent University, Ankara, Turkey	Sep.1996 – Aug.1997
Assistant Professor	King Saud University, Riyadh, Saudi Arabia	Sep.1993 – Aug.1996
Research-Teaching Assistant	Bilkent University, Ankara, Turkey	Sep.1988 – Aug.1993
